

Student Placement

We recognise that the quality and variety of work which goes on in a setting makes it an ideal place for students from Early Years training and qualifications as well as those on the level 3 Childcare and Development or Tutor Fieldworker courses. Apprenticeships are also supported.

In co-operation with educational providers, we welcome students into the setting on the following conditions:

The needs of the children are paramount. Students will not be admitted in numbers which hinder the essential work of the setting.

Students must be engaged in bona fide early years training which provides necessary background understanding of children's development and activities.

Any information gained by the students about the children, families or other adults in the setting must remain confidential.

All students must hold an up-to-date enhanced DBS check.

This policy was adopted at a meeting of Kidstime held on
